2. Pre-Requisites

Not established. It is recommended to have previously studied the subject Principles of Marketing (2nd Grade ADE-Basic).

3. Justification in the curriculum, relation to other subjects and to the profession

The course Commercial Management is proposed as a continuity of the contents included in the subject of Principles of Marketing (taught in the second semester of 2nd Grade). In this sense, it is intended to deepen the concepts related to the basic tools of Marketing: product, price, distribution and communication, giving the student greater ability to learn and respond to the challenges posed by the management and commercial management of organizations. In a similar way to the subject Principles of Marketing, the aim is to achieve relevant skills and abilities within this area of work in the company.
